

VANGARD WHITE MINERAL OIL 500

Vanguard USP White Mineral Oils are water-white, tasteless, odorless lubricants consisting of chemically and biologically stable, saturated aliphatic and alicyclic hydrocarbons. Our Food Grade White Oils being chemically and biological stable, do not support bacterial growth. Vanguard Food Grade White Oils contain Vitamin E, a natural antioxidant to protect quality during handling and storage. All Vanguard NF/USP White Mineral Oils are Kashruth Kosher Certified.

Vanguard USP White Mineral Oil comply with:

Exceed FDA 21 CFR 172.878 standard for use in or on food for human consumption

Exceed FDA 21 CFR 178.3620(a) standard for use as a component of nonfood articles intended for food contact

Exceed FDA 21 CFR 573.680 standard for use in animal feed and drinking water of animals

NSF registered for Direct Food Contact (3H) and Incidental Food Contact (H1). Registration number 143691.

VANGARD® OIL 500 – Technical Specifications

<i>Property</i>	<i>Method</i>	<i>Typical Properties</i>
Viscosity at 40°C, cSt	D445	105
Viscosity at 100°F, SUS	D445	500
Specific Gravity, API	D4052	32
Color, Saybolt	D156	+30, min
Pour Point, °F (C)	D97	-18
Carbonizable Substances	D565	Pass
Solid Paraffins	USP/NF	Pass
Water Content, ppm	D1533	35
Appearance	VISUAL	Bright/Clear
Acidity	USP	Pass
UV Absorb (FDA 21.CFR172878)	D2269	Pass
Limit of Sulfur Compounds	USP	Pass
Flash Point, COC ° (C)	D92	268
Infrared Absorption	USP	Pass

Shelf Life - Shipping and Storage

A. **TEMPERATURE:** It should be stored at 13 degrees Celsius to 29 degrees Celsius. Store sealed and out of direct sunlight.

B. **SHELF LIFE:** "First In – First Out" rotation should be observed. Store sealed product in a cool, dry location and out of direct sunlight for a maximum shelf life of up to 60 months.
